

Name: Ming-Qiang Liang
Gender: Male
Marital status: Married
Date of birth: 12/04/1995
Nationality: China
Email: ming-qiang.liang@uclouvain.be

Education

Ph.D., Geoscience, UCLouvain, Belgium (Advisor: Qiuzhen Yin)	2021.09-now
M.S., Geoscience, National Taiwan University, Taiwan	2018.09-2021.07
B.S., Geoscience, Southwest University, China	2014.09-2018.07

Research Interests

Paleoclimate modeling; Asian monsoon and abrupt climate changes (e.g., Heinrich events); Ocean-atmosphere-land interactions and climate dynamics

Awards and Honors

1. FNRS Aspirant Fellowship on Climate Change	2022
2. National Taiwan University Graduate Scholarship Award	2019, 2020
3. Southwest University First-class Scholarship Award	2017

First author Publications

- Liang, M. Q.**, Yin, Q.Z., Sun, Y., Zhang, C., Berger, A., Lyu, A.Q., Liu, W., & Wu, Z.P. (2024). Distinct response of Asian summer monsoon circulation and precipitation to orbital forcing during six Heinrich events. *Quaternary Science Reviews*, 344, 108946.
- Zhang, J.#, **Liang M.Q.#**, Li, T.Y., Li, J.Y., & Chen, C.J. (2022). Asian-Australian monsoon evolution over the last millennium linked to ENSO in composite stalagmite $\delta^{18}\text{O}$ records. *Quaternary Science Reviews*, 281, 107420.

International conference
